Stewardship

Good Stewards

"For the gifts and the call of God are irrevocable." - ROMANS 11:29

Stewardship
a way of life

God has a special mission in mind for each of us. He has given us the gifts we need to accomplish that mission. We are called to be good stewards by using those gifts to do the work that He has planned for each of us. If we deny our gifts or fail to use them as God calls us to use them, then some part of His work will be left undone. Each of us has a part in God's salvation plan.

The Word

Matthew 15: 21-28

Adults:

How persistent are you in your prayer life? When have you felt the healing power of Christ?

We offer this form of *Lectio Divina* (sacred reading) for pondering Scripture and for faith sharing with family members and other people.

- Listen/ Read (*Lectio*): Ponder God's word and listen for what touches your heart.
- Meditate (*Meditatio*): Attend to what you notice. Allow God's word to resonate in you.

- Rest in God's presence (*Contemplatio*): Notice God's presence and be still, surrounded by God's love.
- Choose to act (*Actio*): Trusting in God's nearness, commit to action rooted in love.

Youth:

In what ways do you show your faith?

In what ways does Jesus help you everyday?

Calling All Photographers

Calling all photographers!

Our parish picnic is a day worth remembering, and we're hoping someone with an eye for a good picture will help us capture it. If you enjoy photography and

would be willing to share that gift with your parish family, we'd be grateful for your help. Please call the parish office at 856-667-2440. Thank you!

Volunteers for the Parish Picnic Needed

A parish picnic doesn't come together on its own, it

takes a few willing hands. We're looking for volunteers to help with hospitality, set-up, and clean-up. It's a simple way to serve, and a wonderful way to meet neighbors you may not have met yet.

If you're able to lend a hand, please call the parish office at 856-667-2440. Thank you!

Faith Formation Registration

The Faith Formation office is accepting registrations for religion classes, grades 1 – 8, for the 2026-2027 catechetical year. Families can download, print, complete the forms and submit with the appropriate fee. Go to the parish website to download forms or complete

them online.

Registration deadline is August 18th.

IMPORTANT: Christ Our Light, in compliance with the Diocese of Camden's sacrament guidelines, requires that students have a full year of religion classes prior to preparing for the sacraments of 1st Reconciliation and 1st Eucharist. Students wishing to prepare for the sacrament of Confirmation must attend religion classes consistently from 1st through 8th grade.

A FAMILY OF FAITH
Family Catechesis
for Our Parish

Family Faith Formation is looking for volunteers to join our team! Our K-6 families will be

working through *A Family of Faith: Exploring the Profession of Faith* this year, and we're looking for men and women who love the faith and love our families to volunteer once a month during our family faith sessions before mass. Our 7th and 8th grade families will be working through *Alpha*, *Altaration*, and *Encounter* this year, and are also looking for youth volunteers on Wednesday nights!

The heart for our ministry is to see our parish families grow into an increasingly fruitful and mature Catholic faith in Jesus Christ; no catechist experience is necessary to join the team, just a willing heart and a desire to support our families! Please contact Melissa Linden at mlinden@christourlight.net to sign up for our Tuesday, August 18th facilitator training at 7pm in the St. Mary's Room, or contact Chelsea Bucci at cbucci@christourlight.net with questions anytime!

May God bless you as you walk ever closer with Him!

Care for Creation Corner

Creation Care Corner

"The most profound and serious indication of the moral implications underlying the ecological problem is the lack of respect for life..."

— Pope John Paul II

Creation Care Benefits of Composting. According to the U.S. Environmental Protection Agency (EPA), food scraps alone comprise approximately 25% of municipal solid waste in landfills. When yard trimmings and other organic materials are included, these organics are almost half of all the waste in U.S. landfills. Instead of just throwing all this away, consider composting instead. Making compost keeps these materials out of landfills where they take up space and release methane, a potent greenhouse gas. Your compost can then be used to enrich soil and reduce the need for fertilizer. For convenience, try using an airtight receptacle in your kitchen for interim storage of scraps to reduce trips to your outdoor composter. Don't have a yard or garden to use? Check and see if there are community drop-off sites in your city, or commercial pick-up services. More info at www.epa.gov/recycle/composting-home
